Dear Parent or Carer,

RE: Key Stage 4 Information Evening

I would like to invite you to a Key Stage 4 Information Evening on Wednesday 2 October 2024 starting at 4.30 pm in the Sixth Form common room. The purpose of the evening is to inform you of valuable information and dates relating to your child's GCSE courses. There will be representatives from English, maths, science and the Sixth Form at this event.

During the evening, there will be a presentation at 5 pm in East Hall where you will receive a booklet which includes tips and advice about how best to support your child through the challenges that the next year may bring. Prior to the presentation, in the Sixth Form Common Room, you will also have the opportunity to look around a range of stalls including MIND, careers, and a display showing the selection of the revision guides that are on sale through our school website will be available for you to view.

Year 11 mock exams will take place week commencing 2 December and you will receive details of these as part of the information evening.

The information shared during this event is aimed at parents, carers and students. If you would like to attend, please could you complete the reply slip indicating the number of people in your party attending (a maximum of three seats per student) via the following link by Monday 30 September: <https://forms.office.com/e/Lui7QrVDNX>. If you do not have access to the internet, please contact the school reception on 01377 253631 and we can book your places for you.

Driffield School will hold its Sixth Form open evening on Thursday 17 October, where parents and students can explore the range of courses available to them at our Sixth Form.

In November, after the half term break, all Year 11 students will have an individual 'Next Steps' interview with a member of the Senior Leadership Team to provide support and guidance regarding the options that are available to them after completing their GCSEs.

We do hope that you are able to attend these evenings and we look forward to working with you and your child throughout Key Stage 4 and 5.

Yours faithfully,
