Dear Parent or Carer,

**RE: Driffield Sixth Form**

I hope you were able to attend the Sixth Form Open evening on 17 October and had the opportunity to explore the options available at Driffield post 16. If you would like the chance to have another look at the subjects on offer you can view them in the new Sixth Form prospectus. This also contains a host of further information about what the Sixth Form here at Driffield has to offer. You can access the prospectus on our website, or through scanning the QR code below.

We look forward to potentially welcoming you into the Sixth Form next year so that you can join our exciting learning community. Our results last year were tremendous with 48% of students gaining at least one grade A or above and measures above the national averages as shown below:

Measure	Driffield Sixth Form	National Average
A*-A	28.4%	27.6%
A*-B	56.1	53.6%
A*-C	80%	76%

This led to students securing wonderful destinations with 91% of students gaining their first choice of university (national average 76%). Within this, 31% of students successfully progressed on to a Russell Group University, which are a group of the most prestigious universities in the country.

Following the half term break, all Year 11 students will have the opportunity to have a one-to-one interview with me, or another member of SLT so that we can help discuss their future and the next steps they need to take, whatever their intended destination

may be. The students will be informed of their interview time on the first Monday back after half term. In these interviews, those students interested in joining the Sixth Form will have the opportunity to apply. Applications to Driffield Sixth Form can also be made through our website.

I appreciate that some of you may not have been able to attend the open evening and if this is the case and you wish to find out any information regarding the Sixth Form here at Driffield, please don't hesitate to contact me on [darren.andrews@driffieldschool.org.uk](mailto:darren.andrews@driffieldschool.org.uk) . Equally, if you did attend, but wish to ask any questions, please use the same contact email.

Yours faithfully,
