Dear Parent or Carer,

RE: Year 9 Progress Evening

Thank you to those of you who attended the online Year 9 progress evenings on 9 January and 16 January 2025.

Over the past few years, we have been running a hybrid model for progress evenings. This has meant that for some year groups the progress evening has been face to face in school, while for the other year groups it has been held online with other opportunities to visit the school face to face.

As a school we regularly review our approach to progress evenings. Following the recent Year 9 progress evenings we would like to gather some feedback from parents and carers.

Below is a link to a short survey about your experience of these recent progress evenings:

We kindly ask that you complete this survey by Friday 31 January 2025.

Many thanks in advance for taking the time to complete this.

Yours faithfully,
