Dear Parent or Carer,

## RE: Apprenticeship Guidance

We are very fortunate to have an apprenticeship guidance team visiting school from Nestle for the morning of Monday 10 February in rooms ACE 1 and 2. There will be four current Nestle employees in attendance, including 3 current apprentices and 1 former apprentice who is now an apprentice champion.

This will give students a fantastic opportunity to work alongside Nestle's apprenticeship experts. It will help them to learn about how to find a suitable apprenticeship at the correct level for their needs, how to apply for an apprenticeship successfully, and it will give them information about interview preparation and mock interview practice.

Apprenticeship opportunities are growing rapidly and they offer excellent opportunities at all levels including degree apprenticeships.

This event is open for Year 10, 11, 12 and 13 students only, as follows:

- Year 10 workshop will be from 9.05 am – 10.10 am
- Year 11 workshop will be from 12.30 pm – 1.25 pm \*
- Year 12 and 13 workshop will be from 10.30 am – 11.30 am

\* Please note, Year 11 students should bring a packed lunch with them to this session. If your child is eligible for free school meals and would like a packed lunch providing to collect at break on the day, please note this on the booking form below.

If your child is interested in completing an apprenticeship, including a degree apprenticeship, then please book them onto this event before Wednesday 29 January via the following link: <https://forms.office.com/e/8Es1M7SeSb>.

Yours faithfully,

A handwritten signature in black ink that reads "R. Mortimer".

Mrs R Mortimer
