Dear Parents, Carers and Students,

**RE: Ofsted Visit**

As you will be aware, Ofsted visited Driffield School and Sixth Form on Tuesday and Wednesday of this week to undertake an ungraded inspection of the school. The inspection team followed a very thorough and robust programme, spending the majority of their time in lessons and around school talking to students across all year groups about what it is like to be a student at Driffield.

Unfortunately, we are unable to share any feedback with you until the final report is published in three to four weeks' time.

I would like to thank all of our students who represented the school positively, as they always do; they are to be commended for their positive attitudes to learning and their exemplary behaviour. The inspection team were very impressed with how the students conducted themselves in lessons, around the site and in interviews and conversations. I am sure this will be reflected in the report the school receives. We are extremely proud of our students and we enjoy the privilege of working with them throughout their time with us.

As always, thank you for your continued support of the school and I look forward to sharing the report with you as soon as we receive it.

I hope you all have a lovely half term break.

Best wishes,

A handwritten signature in black ink, appearing to read "V. Loftus".

Mrs V Loftus  
Headteacher
