

14 May 2025

Dear Parent or Carer,

**RE: GCSE May Half Term Booster Workshops**

During the May half term holiday, we will be running a number of GCSE exam boosters to supplement the revision that students will be completing at home in preparation for their GCSE examinations throughout June. These boosters are intended to provide extra support to help their understanding of difficult concepts and are not intended to replace the revision that students will be doing at home.

Please find attached a timetable of the sessions we will be running. Many of these are open to all students taking the course. Where a session says 'invitation to targeted students' students will receive a separate letter from that subject if they are within the target group.

The booster sessions are either a morning booster running from 9 am to 12 noon or an afternoon booster running from 1 pm – 3 pm.

Some students will be specifically identified by their teachers for these sessions where they feel the extra support will be particularly beneficial. If your child receives an individual invitation to one or more of these sessions, please could you ensure that you complete the consent form as promptly as possible.

As the half term booster sessions are taking place outside of term time, there will be no canteen facilities available on site. Students attending for the full day will need to make their own arrangements for the lunch time gap 12 noon – 1 pm.

As always, many thanks for your continued support.

Yours faithfully,

Mr M Holmes  
Deputy Headteacher
