Dear Parent or Carer,

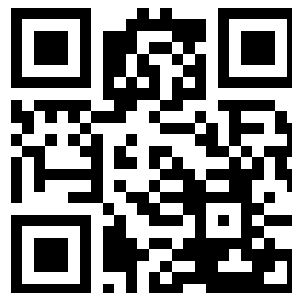

RE: Sponsored Walk – Bronte House Fundraising

I hope you're well. I previously wrote to you about our upcoming annual sponsored walk. As we finalise our plans for the walk, we are delighted to share the fundraising arrangements.

The walk is raising funds for the continuing improvement works, including disabled access, at Spiers Banks House and we'd really appreciate your support.

The money raised from the sponsored walk over the last few years has been used to develop and improve disability access to the house. There are significant costs involved in maintaining and improving the property and our hope is that the whole school sponsored walk will enable us, with the help of the wider community, to continue to generate the funds needed for the development of the disability access and other maintenance. Spiers Bank House has been a part of the Driffield community for many years and we hope that you will feel able to invest in its development so that it can continue to benefit future generations.
