Student Uniform Policy

Expectations

All students in Years 7 to 11 are expected to wear school uniform. Our uniform reflects a pride and sense of belonging in the school and presents our students in the best possible light to visitors and the wider community.

A high standard of personal appearance is expected of all students and anyone arriving at school in non-uniform clothing can expect to receive a consequence unless an explanatory note is received. Items of uniform are available for loan as necessary.

Please see the school dress code below and refer to this when purchasing any new items of uniform. Items of uniform may also be purchased from high street retailers, but care must be taken to ensure these items meet the requirements as set out above. If in doubt, please contact us and we will be happy to help.

Affordability

Our aim is to ensure that the required school uniform is affordable for all. With this in mind, we have reduced the number of required items and have liaised with Drury Sports to offer an embroidery service if you would prefer to purchase items from high street retailers. Drury Sports also offer a saving scheme, which allows you to spread the cost of school uniform over a period time. If you are interested in this scheme, please speak to staff in Drury Sports. In addition to this, Driffield School Association are providing opportunities through the school year for parents to purchase pre-owned uniform at reasonable prices.

Students that are in receipt of Free School Meals may be eligible for support when purchasing items of school uniform. For further information or any other enquires regarding uniform please contact the appropriate Head of Year in the first instance.

Exemptions

As part of the school's commitment to inclusion, students may be exempt from certain aspects of the uniform policy due to their religion or culture. Requests should be made in writing to the Head of Year. All requests will be considered on an individual basis.
