# WHY I CHOSE DRIFFIELD SIXTH FORM

JACOB KELLY

I chose Driffield school because there was a wide variety of courses and subjects that interested me, so far I'm really enjoying it as I'm getting pushed to get the best grades possible.

My sixth form experience began differently to most. I had decided to take a different path and applied to a large sixth form college in Hull. After initially starting, I found that it was not the right fit for me. I found my daily routine to be different to what happened at Driffield, the days were long due to the travel, and I wasn't surrounded by the close network of people I was used to before. All of this made the experience especially difficult for me. Whilst the college presented areas that appealed to me, like the idea of being in a new environment with new opportunities, on reflection Driffield was the right path for me. At college, I found that in and out of lessons I was very independent and secluded, however, here I quickly noticed the support and difference in the lesson structure fitted my learning ability more. The only disadvantage was I felt very behind with the learning; this was all quickly resolved with the help from my subject teachers. Overall, despite my challenging start, Driffield has proven to be the place for me, and I am looking forward to continuing my journey here.

CONNIE YOUD

I chose Driffield School because it offers an inspiring and supportive environment where I know I can achieve my best. The school has excellent facilities that create a positive space for learning, including a canteen just for the sixth form, which gives it a more independent and mature feel.

The teachers are extremely supportive, especially if you're unsure about what you want to do in the future; they give you advice and explore options with you, which helps you feel reassured.

The reason I came back to Driffield Sixth Form isn't because of the subject matter that would pave the future of my life, but for the feeling of community, respect and acknowledgement that the staff here provide. At college I felt like a number among the masses but at Driffield, I'm my own identity where I don't have to second guess who I am.

# COMING SOON

## JANUARY 27 2026 MOCK RESULTS

As you prepare to receive your mock exam results next week, we want to wish you the very best of luck.

These results are a vital milestone. They provide a clear picture of your current progress and, more importantly, highlight the specific areas you need to focus on over the coming months.

Now is the time to push hard. The effort you invest today will help determine your success in the final exams this summer. Use these results as a springboard to achieve the grades required to secure your place on your chosen Sixth Form courses.

We are here to support you in this final sprint. Stay focused, work hard and keep your goals in sight.
