Dear Parent or Carer,

RE: Library Refurbishment

I am really excited to inform you that we are investing in the refurbishment of our library to make it an even warmer and more welcoming environment for students to read and study. In order for the work to take place, students are aware we have closed this space from Thursday 15 January and our new and improved library will reopen in time for World Book Day on Thursday 5 March.

Any books currently on loan will be automatically renewed over the closure period and students will still have lots of opportunities to read in lessons. Please click on the link below for our latest 'Read Like Us' bulletin so you can see what your students are reading this term and what they might like to explore next: [Read Like Us Spring 2026](#).

Breakfast club in a morning and homework club at lunchtime are open as usual if students need a quiet space to study.

The Rewards Shop will be temporarily relocated to ACE reception during the library closure, so students will still be able to spend their hard-earned stamps.

We can't wait to share an update on our new library with you next half term!

Yours faithfully,
