Dear Parent or Carer,

RE: Rescheduled date of Year 11 Steps to Success Evening

Due to adverse weather we had to make the difficult decision to postpone our 'Steps to Success' evening back in November. We have rescheduled the event and it will now take place on Thursday 22 January.

If you are still able to attend the event, there is no further action required. We have rolled forward the workshop sessions choices that your child requested and they will be able to access these on the evening.

If you replied to say your child would be attending the original event, but you are no longer able to attend on the new date, please complete this link to notify us: [Year 11 Steps to Success - No longer able to attend, Thursday 22 January 2026 – Fill out form.](#)

If you had previously replied to say that you were unable to attend, but would now like to, then please complete the form using this link to confirm your attendance and select the workshops your child would like to attend. They should select the two that will most benefit their own needs. These are outlined on the reply slip that can be found on the following link: [Year 11 Steps to Success, North Hall, Thursday 22 January 2026 from 4.45pm – Fill out form.](#)

Where a reply is required please could you do so by **Friday 9 January 2026**.

The purpose of the evening is to engage students with revision and provide them with practical tips and techniques to support their preparation for the summer exams.

This event is aimed at students and parents/carers. All Year 11 students are invited and therefore we ask that they attend with **one adult only** as spaces are limited.

We ask that students arrive at North Hall between 4.45 pm and 5 pm. The event will start at 5 pm and at this time there will be refreshments and a quiz with prizes on offer. The Steps to Success talk will start at around 5.30 pm and workshop sessions will begin around 6.30pm lasting around 25 minute each.

We do hope that you and your child are able to attend this evening.

Yours faithfully,

Mr M Holmes
Deputy Headteacher
