Dear Parent or Carer,

RE: Year 11 Revision Sessions

I am delighted to share with you a summary of some of the key events taking place for Year 11 between now and the start of GCSE exams in May:

- Our lunch time and twilight revision sessions will begin after February half term. The timetable for these sessions is shown at the end of this letter, and we encourage students to attend these to support their GCSE revision.
- During the Easter holiday we will be running Easter booster sessions. Details of these sessions will be shared in advance of the Easter holidays.
- Finally, we will be running additional booster sessions for English Literature paper 2 on Saturday 16 May and maths paper 3 on Saturday 6 June. These will provide a final opportunity for students to complete some focused revision with subject specialist teachers prior to sitting their final English and maths exam papers.

These revision sessions and boosters are intended to provide extra support to help students' understanding of difficult concepts and are not intended to replace the revision that they will be doing at home. I do hope you will support us in encouraging your child to attend as many of these sessions as possible during the final ten school weeks before the exam season begins.

Yours faithfully,
