Dear Parent or Carer,

RE: Year 12 Biology visit to Flamingo Land

The Science Department are running a trip to take our Year 12 Biology students to Flamingo Land. Students will be participating in a Conservation and Sustainability workshop that complements their Year 13 studies during the morning, and then they have the opportunity to visit the theme park in the afternoon.

The event is being held at Flamingo Land on Monday 13 July. Students will leave school at approximately 8.30 am and return to school by 6 pm (exact timings will be confirmed nearer the time). As this is after the departure of the school buses, please make onward travel arrangements for your child. Transport to and from school will be by minibus and at least two members of staff will accompany the group. Students will need to bring a packed lunch or money for lunch in the park, and will need to wear suitable clothing, footwear and sun cream/hat. If your child is eligible for free school meals and requires a packed lunch providing for the visit, please note this on the consent form.

If you would like your child to participate in this visit, could you please complete the consent form via the following link by Monday 1 June:

[Year 12 Biology visit to Flamingo Land, Monday 13 July 2026 – Fill out form](#)

The cost of the visit is £42.00 which covers entry into Flamingo Land and a contribution towards the transport. This should be paid via ParentPay also by Monday 1 June. Should the visit be oversubscribed, names will be drawn out of the hat.

Please do not hesitate to contact the school if there are any aspects you would like to discuss.

Yours faithfully,

A handwritten signature in black ink, appearing to read "S Wild".

Mrs S Wild
Head of Biology
