4 June 2026

Dear Parent or Carer,

RE: Year 8 Maths Challenge

On Tuesday 23 June 2026, we are competing in the Year 8 Maths Challenge at The Education Alliance Development Centre, Melton. This competition will comprise a range of problem-solving style maths challenges and will be against all secondary schools within our trust.

Your child has been chosen to take part in this challenge, and we are delighted that they will be representing the school. The event is a fantastic opportunity for students to develop their mathematical reasoning, teamwork, and resilience whilst enjoying some friendly competition with other schools.

We will be travelling by minibus at 9 am and will return to school in time for the buses to depart at the end of the school day. Students should bring a water bottle, lunch and any snacks they may require during the day. If your child is eligible for free school meals and would like a packed lunch providing, please indicate this on the consent form.

Please confirm your child's place by giving consent via the following link by Monday 8 June: [Year 8 Maths Challenge, 23 June 2026 – Fill out form](#). We are very much looking forward to the event and are confident that the students will be excellent ambassadors for the school.

Yours faithfully,

A handwritten signature in black ink that reads "A Charlton".

Miss A Charlton
Assistant Director of Maths
