3 June 2026

Dear Parent or Carer,

RE: Year 11 Boosters

I would like to start by saying a huge well done to Year 11 with GCSE exams so far. Their conduct before, during and after exams has been fantastic.

The morning of Friday 12 June will be the last day our Year 11 students follow their normal timetabled lessons. We are very much looking forward to the leaver's assembly and shirt signing that morning during period 3. From Monday 15 June students are only expected to be in school for their exams. Students are welcome to leave site immediately after exams if they wish and can return for busses at the end of the day. For any students wishing to remain on school site after or in between exams after this date, a quiet revision space will be provided. However, students must remain in this designated location during lesson times if they choose to remain on school site. The information of which rooms will be used will be shared after each exam.

Although timetabled lessons finish after the morning of 12 June, we are delighted to offer the opportunity for students to attend a small number of subject specific booster sessions taking place after this date. There will also be some science lessons taking place in place of APEX this Friday afternoon.

Please find below a list of the sessions we will be running. If students wish to attend, they must sign up for these sessions in advance using the following link by Monday 9 June: [Year 11 GCSE Revision Sessions, Various – Fill out form](#). This will allow us to plan sufficient rooming space and staffing based on the number of students attending.

This Week (Friday 5 June)

Period 4

- **X half students** - Science lessons as normal. The Year 11 APEX class 11x/Ap4 will have a science lesson instead of APEX allowing students to revise for their biology exam. This will be taught by a specialist biology teacher.
- **Y half students** - Games lessons as normal. For any students wishing to opt out of games, we are offering a physics booster session in E110, delivered by a specialist physics teacher. To allow us to plan for appropriate numbers, if your child would like to opt out of games and attend this session, please can you consent to this using the link above.

Period 5

- **Year 11 X half students** - Games lessons as normal. For any students wishing to opt out of games, we are offering a biology booster session in N4, delivered by a specialist biology teacher. To allow us to plan for appropriate numbers, if your child would like to opt out of games and attend this session, please can you consent to this using the link above.
- **Y half students** – Science lessons as normal.

After the Year 11 leavers date

- Friday 12 June, 1.25 pm – 3.30 pm (Period 4 and 5): Physics Booster in E110
- Monday 15 June, 11.35 am – 1.10 pm (Period 3 and lunch time): Further Maths Booster in N304
- Monday 15 June, 11.35 am – 12.35 pm (Period 3): Spanish Booster in W6
- Monday 15 June, 1.25pm – 3.30pm (Period 4 and 5): Spanish Booster in W9

In addition to the sessions listed above, a reminder that we have a maths booster running this Saturday morning (6 June) from 9 am – 12 noon in North Building.

As always, many thanks for your continued support.

Yours faithfully,

Mr M Holmes
Deputy Headteacher
