Dear Parent or Carer,

RE: Coventry University Scarborough Discover Health and Care Day

As part of our Health and Social Care programme, we want to help students explore different career pathways in the health and care sector. We have arranged for students to attend the excellent, informative and interactive CU Scarborough Discover Health and Care Day.

Students need to meet at the rear of the Leisure Centre at 8.45 am on Wednesday 1 July. Students must be in correct school uniform and bring a packed lunch. If your child receives free school meals and requires a packed lunch provided for the day, please indicate this on the consent form.

Students will return to school in time for the school buses. There will be no cost to students for this visit.

In order to confirm your child's place on the visit, please complete the consent form by Monday 8 June via the following link: [CU Scarborough Discover Health and Care Day, Wednesday 1 July – Fill out form](#). Please note, acceptance onto this trip is dependent on student behaviour. If we have any concerns prior to departure, this may result in your child being removed from the visit.

If you have any questions, please do not hesitate to contact me via office@driffieldschool.org.uk.

Yours faithfully,

A handwritten signature in black ink that reads "R. Mortimer".
