Dear Parent or Carer,

RE: Rewards Day – We're A Knock Out

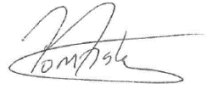

On Friday 17 July, we will be holding our annual rewards day. The event will be run by We're A Knockout Ltd, who have asked us to share their safety code of practice with you:

- It must be recognised that the use of such equipment does present each competitor with an additional exposure to risk. The use of inflatables within the knockout tournament is by its very nature boisterous. Whilst we take steps to keep this to a minimum we cannot exclude it entirely, you therefore must recognise the risk of injury and are volunteering to accept that risk in taking part.
- Prior to commencing the We're a Knockout games, every competitor **MUST** carry out a warm up routine under the guidance to the We're a Knockout team and **MUST** be present at the safety briefing.
- If you are suffering from any known heart or respiratory problems you **MUST NOT** participate in any of the activities.
- If at any time you feel faint or breathless during the activities you must stop immediately.
- You must be in good health and physically fit at the time of the games in order to be an active participant.
- No footwear can be used on the inflatables except flat soled training shoes.
- Any hard, sharp dangerous objects (buckles, pens, purses, badges jewellery etc) must be removed prior to taking part.
- No food or drink must be consumed in or around the inflatables.
- No participant must deliberately obstruct the path of another participant whilst on the inflatables.
- Participants must not climb onto or hang on the side walls of the inflatables.
- Somersaults and rough play will not be permitted on the inflatables.
- Entry points and exit points of the inflatables must be kept clear at all times.
- One-way travel over the inflatables must be adhered to as demonstrated by the We're a Knockout team prior to each game.
- It is the responsibility of every participant to maintain a sensible approach to their conduct whilst on the inflatables not only for their own safety but for the safety of others using the inflatables at the same time.

The day has been a huge success in previous years and we hope that students will have an equally good day this year. However, should you wish for your child **not** to

take part, please complete the form via the following link to advise us by Friday 10 July: [We're A Knockout, Friday 17 July 2026, CONSENT NOT GIVEN – Fill out form.](#)
