Dear Parent or Carer,

RE: A Level Geography Visit to Iceland

As part of our Geography curriculum, we offer students the opportunity to participate in a visit to Iceland in February 2027 (1 – 5 February). It is a fantastic trip that includes a range of visits and activities, such as a glacier walk, a geothermal swim, and time to explore Reykjavik.

I am writing to let you know that one place has become available on the visit, and I would like to offer your child the opportunity to take part. The total cost of the trip is £1,500, which includes travel, accommodation, activities, and most meals. Please be aware that, if you wish to join the trip at this stage, a payment of £1,050 will need to be made by 17 July 2026, with the remaining £450 due by 16 October 2026.

This opportunity is open to all students joining the Sixth Form in September and is not dependent on studying A-level Geography. In previous years, students with an interest in the visit have joined us simply to enjoy the unique and memorable experience the trip offers. Please note, should there be a large interest in this place, the successful name will be randomly selected.

If you would like to apply for this place, please contact me by email at office@driffieldschool.org.uk by Wednesday 8 July 2026.

Yours faithfully,

A handwritten signature in black ink, appearing to read "A Morris".

Mrs A Morris
Visit Leader
